

LET'S GROW **LEADERS**

Breakthrough Results for Human-Centered Teams

Team Accelerator

Our **10-month** business team development program

Team Accelerator **Works**

Your managers and their teams are about to embark on a team-development mission. We'll provide everything they need to achieve **breakthrough outcomes**.

1

Your Managers are Coaches

Each month, your managers will guide their teams to improved performance and connection. Karin and David provide a facilitation guide and video with the frameworks and step-by-step instructions they need to make every Team Accelerator Workshop successful.

2

Facilitation Video & Guide

Karin and David speak directly to your teams via the Team Accelerator video. They share insights, inspiration, and the practical steps that teams will complete together.

3

Team Accelerator Workshops

Your managers lead the workshops equipped with tools and best practices to make the sessions engaging, efficient, and effective.

For Human-Centered Managers *and Their Teams*

4

Team Accelerator Agreement

As a part of each Team Accelerator Workshop, the team commits to:

- Practices, habits, or behaviors that everyone is willing to start, stop or continue doing.
- Success measures for these team commitments.

5

Breakthrough Outcomes

By the end of the 10-month progression, the Team Accelerator Agreement will serve as a roadmap for ongoing success. Expect massive transformations and breakthrough outcomes!

6

The LGL Resource Center

Your managers and teams get access to the full Let's Grow Leaders Resource Center with exclusive tools, articles, and other resources.
